

## Drop Off and Pickup Policy

Dear Parent,

Dropping off and picking up your children is one of the biggest areas of concern when you operate a home school that requires parent's cooperation and compliance.

Our home is located on a court. We count with two (2) parking in the driveway and four (4) in front of our house to the left side of our driveway. If you arrive and these parking spots are being used please, continue driving to the end of the street and turn around and wait for your turn to drop off. Please do not park or block our neighbors' driveways or their use of the road. Please do not use a neighbor's driveway to turn around.

For Ms Juana's Montessori Home School (MJM) we request the following rules be followed:

1. We request that at no time there be any parking, lining up, or waiting with your car on the other side of the street. We don't want to cause accidents or unsafe conditions.
2. Please park on each side of the driveway, **not in the middle**, and as far forward as possible so other cars can park behind.
3. Please, be extremely attentive to what is behind you. There may be a trash can, a neighbor backing up, a car or somebody behind you. SAFETY FIRST!
4. During normal drop off and pickup times, please do not engage in conversation with MJM or other parents outside, this prohibits other parents the ability to park.
5. Please allow residents of the street to have priority in their movement.

Your acceptance will be greatly appreciated.
